Public Transport within San Francisco

This part of the Presidio is served by several MUNI lines: 29, 43, and 82. Additionally the 41 and 45 stop just outside the Lombard gate.
For more MUNI information, visit www.sfmuni.com or call 415.673.MUNI. I recommend using the “trip planner” feature on the MUNI website. It includes times, maps and walking directions after you get off the bus.
For public transportation information for outside of San Francisco, visit www.511.org.
